"Charlie's Last Bite"

1. EXT. LONDON 2082 - OAK TREE RETIREMENT HOME - DAY

Serene music plays over an exterior shot of a futuristic building that sits nestled between large leafy trees.

2. INT. COMMON AREA - OAK TREE RETIREMENT HOME

Serene music continues as the camera pans the common area of the Oak Tree Retirement Home. Elderly people are scattered around the room. Some playing board games, others are watching T.V., and one man stares into space.

NARRATOR

Here at Oak Tree Retirement home live two of the most popular entertainment stars of all time. Two brothers who made their mark in 2007 with a viral video that amazes audiences to this day. We sat down for an interview on the eve of their 75th anniversary of going viral and to celebrate their one trillionth view.

3. INT. BROTHERS' ROOM - OAK TREE RETIREMENT HOME

In a shared room, on a small old couch, sits an old British man, HARRY, 87. Next him sits another elderly man, CHARLIE, 82.

The serene music fades out as the brothers talk.

HARRY

I'm Harry.

CHARLIE

(Emphatically)

And I bit his finger!

INTERVIEWER

How does it feel to be the first YouTube video to reach 1 trillion views?

HARRY

It feels great anytime we beat that Keyboard Cat.

CHARLIE

Keyboard Cunt.

HARRY

Charlie!

Charlie stares off into the distance as if he was unaware of what he just said.

CUT TO:

INTERVIEWER

When did you and your brother move
back in together?

HARRY

We have always lived together,
well aside from Charlie's "time
away"...

CUT TO:

4. CLIP MONTAGE

A mugshot of Charlie, 30's, and a newspaper clipping with the
headline: "Charlie Bit My Face - Video Star Bites Police
Officer In The Face"

NARRATOR

Life as a YouTube sensation hasn't
been all roses. Trials and appeal
courts have plagued Charlie's life
since the day he went viral. Most
notably the "Charlie Bit My Face"
scandal following Charlie's drunken
altercation with a police officer.

CUT TO:

5. INT. BROTHER'S ROOM - OAK TREE RETIREMENT HOME

INTERVIEWER

What lessons have you learned in
your 80 plus years?

HARRY

Stick to biting fingers, huh,
Charlie!

Charlie, staring off into the distance, slowly turns his head
towards the camera while smiling a menacing grin.

HARRY

(To Charlie)
Alright, ready to do this again?

CHARLIE

What?

HARRY

(Whispering)
Just give my finger a little bite.

Harry lifts his hand up and puts his index finger into
Charlie's mouth. Charlie bites down hard.

HARRY

Ouch, Charlie! You goose-faced
twat! That really hurt!

Harry pulls his hand away from Charlie's mouth with Charlie's dentures still attached to his finger.

Charlie turns to the camera and grins, showing his toothless mouth.

Harry shakes his finger, but the teeth remain firmly attached.

NARRATOR

One thing is for sure, even at this advanced age these two brothers haven't lost their biting wit. Back to you Jack and Diane.
